(b) Upon receipt of such report, the Medical Examiner or his/her appointed representative shall go to the location of the body and take charge of same, and shall begin his/her investigation with an examination of the scene.

(c) No person shall disturb the scene of such death, nor shall any person handle, move, disturb, undress, embalm, or remove the body from the position in which it is found, until authorized by the Medical Examiner or his/her appointed representative, except for the purpose of preserving such body from damage or destruction, or in such cases as may be authorized by the Medical Examiner. Whenever the Medical Examiner shall lawfully assume jurisdiction of a body, it shall not be removed or released from his/her jurisdiction except upon his/her direction and consent.

**Sec. 38-123. Order to disinter.**

The Medical Examiner may petition the Circuit Court for an order to disinter for the purpose of investigation or autopsy or both.

**Sec. 38-124. Permission required for removal.**

No dead human body whose death may be subject to investigation under Section. 38-118, or the personal property of such a deceased person, shall be handled, removed, disturbed, embalmed or removed from the place of death by any person except with the permission of the Medical Examiner, unless the same shall be necessary to protect life, safety, or health.

Any witness appearing at an investigation or public hearing shall have the right to be represented by counsel.

**Sec. 38-127. Decedent under spiritual treatment**

No crematory shall cremate a dead human body unless a permit for disposition of a dead human body with an attached Medical Examiner's Permit has been furnished to authorize the cremation.

**Sec. 38-130. Release of the body.**

Upon completion of the Medical Examiner's investigation and examination, the Medical Examiner shall release the body of the decedent to the decedent's next of kin, personal representative, friends, or to the person designated in writing by the decedent or to the funeral director selected by such persons, as the case may be, for proper disposition and none of the duties or powers of the Medical Examiner enumerated in this Ordinance shall be construed to interfere with or control the right of such persons to the custody and proper disposition of the decedent upon completion of the Medical Examiner's investigation. If there are no such persons, The Medical Examiner shall cause the proper disposition of the decedent, if sufficient, if not, by an appropriate government agency. The Medical Examiner shall have the power to dispose of any body in accordance with the "Cadaver Act," 410 ILCS 510 et seq.

**Sec. 38-131. Records to be kept.**

(a) The Medical Examiner shall keep full and complete records properly indexed, giving the name, if known, of every person whose death is investigated, the place where and the date when the body was found and the date of death, if known. In case the name of the decedent is not known, the Medical Examiner shall prepare a description person and enter the same upon his/her records, together with all facts and circumstances of the death which may be known, and which may later lead to the identification of the dead person.

(b) It shall be the duty of the Medical Examiner to keep on file in his/her office full and complete records of all deaths coming under his/her jurisdiction, together with his/her conclusions therein.

(c) Upon completion of investigation and any related criminal proceeding, the official report of the Medical Examiner's investigation shall be made available for inspection to any person with substantial or important interest upon written request. A copy of the official report may be obtained upon payment of the duplication fee. This shall not foreclose access to other records where appropriate.

**Sec. 38-132. Advisory committee.**

There shall be created a Medical Examiner's Advisory Committee appointed by the President of the Cook County Board of Commissioners with the advice and consent of the Board of Commissioners.

Member shall include but not limited to persons representing the medical profession, funeral directors, State's Attorney, police and the public. The members of this committee shall serve without pay, but shall be reimbursed for reasonable expenses incurred in the performance of their duties. Such expenses shall be paid from the Medical Examiner's budget.

**Sec. 38-133. Death caused by wrongful act; liability for expenses incurred.**

Any person, individual, partnership, corporation, firm, company, trust, estate, political subdivision, state agency, or any other legal entity who causes the death of a decedent by a wrongful act, carelessness, or negligence which shall be subject to a Medical Examiner's investigation shall be liable to pay any and all expenses incurred by such investigation and the associated burial expenses. The same shall be recoverable by the county.

**Sec. 38-134. Transportation costs.**

All transportation costs of the body incident to the Medical Examiner's investigation shall be recoverable from the estate of the deceased.

**Sec. 38-135. Fees.**

The Medical Examiner shall charge the following fees with the amounts as set in Section 32-1 of this Code.

- (1) Autopsy report.
- (2) Toxicology report.
- (3) Miscellaneous Reports, including artist's drawings, but not including police reports.
- (4) Permit to cremate a dead human body obtained from the Office of the Medical Examiner, by facsimile or electronic filing.
- (5) Return fee. The Return Fee is charged to funeral homes that pick up bodies from the Medical Examiner's Office and then request to return them to the Office after determining that the family has no funds for burial. This cost would include the cost of the burial shell and the burial cost.
- (6) Death certificate amendment fee. Fee is charged if the amendment is made later than 1 year of the person's death (due to a return by Funeral Home). The Office of the Medical Examiner is charged by the Illinois Department of Vital Records for amendments made to a death certificate after 1 year of the death.
- (7) Storage fee. This fee covers the bodies returned (by the Funeral Homes) to the Office of the Medical Examiner for storage while families secure funds for burial services. This "storage fee" would replace the "return fee" if a funeral home returns a body and picks it up again within 10 days. If the body is not picked up within 10 days, the body will be held and buried by the County according to the standard operating procedures of the Medical Examiner. This "storage fee" discourages the use of the Office of the Medical Examiner as a storage location by funeral homes and also encourages the funeral

directors to verify that families have funds for burial prior to removing a body from the Office of the Medical Examiner.

- (8) Photographs, radiographs and histology slides.

**Sec. 38-136. Debt due County.**

All fees and expense reimbursements shall constitute a debt due the County of Cook and be paid to the Medical Examiner who shall deposit the same with the County Treasurer on the last day of every month.

**Sec. 38-137. Impersonation unlawful.**

It shall be unlawful for any individual to impersonate the Medical Examiner and/or any Medical Examiner investigator.

**Sec. 38-138. Penalty for violation.**

Any person who knowingly violates any provision of this Ordinance shall be fined not more than \$1,000.00 and imprisoned not more than six months.

**Sec. 38-139. Annual report.**

The Medical Examiner shall prepare and submit to the Cook County Board of Commissioners an annual report of the activities of his/her office.

**Sec. 38-140. Medical Examiner Fees Fund.**

Beginning on or before March 1, 2011, the Comptroller shall create a special revenue fund to be entitled the, "Medical Examiner Fees Fund." The revenue collected by the Office of the Medical Examiner from all of the various fees of the Office of the Medical Examiner shall be placed in such special fund for the Office of the Medical Examiner to be held by the Treasurer of the County. Such revenues collected and placed in such special fund shall only be disbursed by appropriation of the County Board and shall be used solely for the purchase of electronic and forensic identification equipment or other related supplies and the operating expenses of the Medical Examiner's Office.

**DIVISION 2. BURIAL OF INDIGENT, UNCLAIMED AND UNKNOWN BODIES.**

**Sec. 38-150. Contracts with cemeteries.**

The Medical Examiner shall only contract with cemeteries for the burial of indigent, unclaimed and unknown bodies in accordance with the provisions of Chapter 34, Article IV, Sec. 34-134.

**Sec. 38-151. DNA collection from Unknown Decedents.**

The Office of the Medical Examiner shall collect and retain a sufficient DNA sample from Unknown Decedents and unknown skeletal remains. For the purposes of this section, Unknown Decedents shall be defined as deceased individuals for whom the Medical Examiner cannot conclusively determine the identity. This characterization shall include fleshed and skeletal remains. Within 90 days of

DNA sample collection, if the law enforcement agency handling the case has not already done so, such samples shall be forwarded to the Illinois State Police for testing and inclusion in the State and National DNA Database. Immediately after the Illinois State Police have completed all DNA analysis, testing and database inclusion, the remaining evidence shall be returned to the Office of the Medical Examiner.

**Sec. 38-152. Number of bodies per casket.**

Each coffin or burial shell sent by the Medical Examiner to a contracting cemetery authority shall contain the remains of only one indigent, unclaimed or unknown decedent. In the case of infants and fetuses, the Medical Examiner shall be permitted to place multiple infants and fetuses in a single burial shell, provided that there shall exist a physical barrier separating each set of remains within each such burial shell. No other tissues or skeletal remains, human or otherwise, shall be permitted in such shell.

**Sec. 38-153. Unique Personal Identifiers.**

Prior to the burial or interment of an indigent, unclaimed or unknown individual, the Office of the Medical Examiner shall affix one non-biodegradable Unique Personal Identifier tag to the outside of the burial shell. Such tag shall be stamped or inscribed with the decedent's name, age and year of death, if known. The Office of the Medical Examiner shall additionally affix at least one non-biodegradable Unique Personal Identifier tag to the individual deceased person's physical remains.

**Sec. 38-154. Documentation to be released to contracting cemetery.**

Upon the release of indigent, unclaimed and unknown individuals to the contracting cemetery authority, the Office of the Medical Examiner shall provide information for the cemetery's interment book as provided in Section 34-134(a)(4). The information provided by the Office of the Medical Examiner to the contracting cemetery for record shall include the decedent's name, if known. If the decedent's name is unknown, as much information as possible regarding the gender, race and distinguishing characteristics of the decedent shall be listed.

**Sec. 38-155. Medical Examiner burial oversight and affidavit form.**

The Office of the Medical Examiner shall ensure that transportation and disposition of decedents shall be done in accordance with Title 77, Chapter 1, Sub. e, Part 500, Sec. 500.50. Upon the release of decedents from the Office of the Medical Examiner, an administrator or investigator from The Office of the Medical Examiner shall accompany the vehicle transporting such decedents from the location of pickup of the decedents to the contracting cemetery site. Such individual shall also be present to oversee the burial process in its entirety and shall be required to complete a sworn affidavit to be established by the Office of the Medical Examiner. The affidavit form shall delineate each of the elements to be complied with herein. The Office of the Medical Examiner shall retain all such completed affidavits along with the accompanying death record and shall attest that the contracting cemetery authority is in compliance with the specifications for burial as provided by Chapter 34, Article IV.

**Effective date:** This Amended Ordinance shall take effect sixty (60) days following passage.

PROPOSED RESOLUTION

**A RESOLUTION TO STRONGLY URGE THE ILLINOIS ~~SENATE~~ HOUSE  
TO OPPOSE SENATE BILL 1386 OR EXEMPT COOK COUNTY FROM ITS APPLICATION**

**WHEREAS**, Senate Bill 1386 proposes to retroactively extend the five year statute of limitations for refund claims for property tax overpayments to a period of twenty years under Section 20-175 of the Illinois Property Tax Code and would result in serious fiscal consequences on taxing districts in Cook County and across the State of Illinois; and

**WHEREAS**, Senate Bill 1386 would open the flood gates to as many as fifteen years worth of refund claims that are time-barred under current law, and have a devastating impact on taxing districts' realization of critically important property tax revenues in the coming years as refunds would be deducted, pro rata, from current collections to be paid to the applicable taxing districts; and

**WHEREAS**, Senate Bill 1386 provides for any installment of property taxes which are overpaid after January 1, 1990 to be refunded for a period of twenty years after the date the right to a refund arose, when a petition for refund is filed with the circuit court or a claim is made to the county collector; and

**WHEREAS**, Senate Bill 1386 would effectively slash the revenues that taxing districts depend on to fund schools, pay employee salaries, and meet bond covenants and pension obligations, inevitably forcing most taxing districts to increase their property tax levies to compensate for these lost revenues; and

**WHEREAS**, some taxing bodies would see their bond ratings lowered as a result of SB 1386 at a time when state budget cuts are forcing districts to seek bond financing merely to continue basic operations; and

**WHEREAS**, the Cook County Treasurer's Office has implemented a program known as STOPS for the express purpose of identifying, intercepting and preventing duplicate property tax payments and overpayments before they occur which will dramatically reduce, if not eliminate all together, the incidence of property tax overpayments in Cook County; in the one-month collection period that ended December 13, 2010, more than \$20 million of property tax overpayments were intercepted and returned to taxpayers as a result of the STOPS program.

**NOW, THEREFORE, BE IT RESOLVED** that the Cook County Board of Commissioners strongly urges the Illinois ~~Senate~~ House to oppose Senate Bill 1386 or exempt Cook County from its application; and

**BE IT FURTHER RESOLVED** that the Secretary to the Board of Commissioners tender suitable copies of this Resolution to the members of the Illinois ~~Senate~~ House of Representatives.

SENATE BILL 152 OR EXEMPT COOK COUNTY**

**WHEREAS**, Senate Bill 152 will require that all Illinois auto insurers submit physical damage subrogation claims to a national organization for arbitration there by eliminating due process and the filing of these claims in a court of law; and

**WHEREAS**, Senate Bill 152, passed by the Illinois Senate Insurance Committee on March 10, 2011 is now headed to the Senate Floor for a vote; and

MAINTAIN COMMUNITY SERVICES BLOCK GRANT (CSBG) FUNDING**

**WHEREAS**, a proposed 50 percent cut in Community Services Block Grant (CSBG) federal funding for local community action agencies such as Cook County's private, not-for-profit Community and Economic Development Association (CEDA) will seriously damage already scarce community resources and have a devastating impact; and

**WHEREAS**, CSBG is not just a program under HHS but a federal investment that creates an infrastructure able to respond locally to the national problems that cause poverty; in 2009 and 2010 CSBG was 8th out of 200 Recovery Act programs in jobs created and saved; and

**WHEREAS**, CSBG funds local community action agencies like CEDA to reduce poverty, revitalize low-income communities, and empower low-income families to become self-sufficient; and

**WHEREAS**, with CSBG funding, CEDA serves as the major vehicle by which our most vulnerable citizens receive vital services which assist them on the path toward economic stability; 240,000 households in Cook County were assisted through CEDA in FY 2010; and

**WHEREAS**, while representing only 3% of CEDA's overall budget, CSBG funds leverage Head Start, a portion of Home Weatherization, LIHEAP, Women, Infant and Children centers, and other programs; every \$1.00 of CSBG funds leverages an additional \$7.00 of non-CSBG funds for the Head Start program; and

**WHEREAS**, CSBG has developed a highly structured management and accountability system known as ROMA (Results Oriented Management and Accountability) which is also a frame work for assessment, planning, and analyzing data that helps local agencies to manage and to continually improve performance and outcomes; and

**WHEREAS**, in this current economic climate it is absolutely imperative that successful CSBG programs that leverage dollars and also create and save jobs receive the highest consideration for funding; and

**WHEREAS**, eliminating CSBG funding will impede rather than assist the country's economic recovery.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Cook County Commissioners does hereby strongly urge the members of the U.S. Congress to fund the CSBG program at the FY 2010 level; and

**BE IT FURTHER RESOLVED**, that the Secretary to the Cook County Board of Commissioners delivers a suitable copy of this Resolution to President Obama, Chairman of the Senate Committee on Appropriations Daniel Inouye, and the members of the United States Congress.

Approved and adopted this 6th day of April 2011.

April 6, 2011

The Honorable,  
The Board of Commissioners of Cook County

Present: Chairman Steele, Vice Chairman Silvestri and Commissioners Garcia, Gorman, Goslin, Murphy, Reyes and Sims (8).

Absent: Commissioners Butler (1).

JOURNAL OF PROCEEDINGS FOR APRIL 6, 2011

Also Present: Commissioners Daley, Beavers, Schneider and Tobolski; LaVerne Hall – Director of Contract Compliance; Patrick Driscoll, Jr. – Deputy State’s Attorney and Chief, Civil Actions Bureau

Ladies and Gentlemen:

Your Committee on Contract Compliance of the Board of Commissioners of Cook County met pursuant to notice on Wednesday, April 6, 2011 at the hour of 9:30 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois.

Your Committee has considered the following item and, upon adoption of this report, the recommendations are as follows:

311628 OFFICE OF COOK COUNTY COMMISSIONER, ROBERT B. STEELE. Transmitting a Communication by Robert B. Steele, dated March 11, 2011:

Please add the following information as a new item for the March 15, 2011 Board Agenda to be referred to the Contract Compliance Committee. The following information will be discussed by the Contract Compliance Administrator LaVerne Hall:

Contract Compliance reporting requirements. How often will reporting be requested from the Contract Compliance Department and what information should be included in the reports?

Should a subcommittee be formed to review large waiver requests?

Capacity Building Initiative - Define what a successful program would accomplish?

This meeting will be an informational meeting only.

**\*Referred to the Committee on Contract Compliance on 03/15/11.**

Chairman Steele introduced LaVerne Hall, Contract Compliance Administrator, and entered her agenda and quarterly reports into the record. He noted that Ms. Hall will be reporting to the Contract Compliance Committee on a quarterly basis.

Ms. Hall noted that both online certification efforts and veterans certification programs are going well, and have been a priority for the office of Contract Compliance.

Ms. Hall explained some of the break out categories on the reports.

In response to Commissioner Reyes’ concern regarding veterans, Ms. Hall responded that a veterans’ breakout will be added in 2012.

Ms. Hall clarified that these reports address neither the Forest Preserve District nor the Cook County Health and Hospitals System.

Commissioner Beavers noted the lack of African American participation as indicated in the Professional Services Contracts Report.

Ms. Hall stated that quarterly reports will allow the Committee to review how it is doing in reaching its MBE/WBE goals.

In response to Commissioner Garcia's inquiry as to how to get MBE/WBE firms more involved, Ms. Hall stated that she is looking to host a "technology mixer" in May to bring local firms and large companies together.

Commissioner Sims stated that it is imperative that there be transparency in Cook County government, and that the aforementioned "technology mixer" might make it look as if Cook County had a hand in choosing certain firms or companies.

Commissioner Sims inquired whether a representative of the State's Attorney's Office could inform them how the City of Chicago deals with waivers and contract compliance.

Patrick Driscoll, Deputy State's Attorney and Chief, Civil Actions Bureau, indicated he did not have knowledge of how the City of Chicago handles these matters. He did indicate, however, that if more than four Commissioners meet together over this issue, they need to notice the meeting.

Chairman Steele turned to the issue of creating a Waiver Committee, which would address how to assess, grant and deny waivers. He stated that this Committee would also work to inform as many firms as possible as to MBE/WBE opportunities. Chairman Steele stated that he would meet with President Preckwinkle regarding the creation of a Waiver Committee, and indicated that he would like Vice Chairman Silvestri to be present at this meeting.

**No action was taken on the above item, as this Committee meeting was for informational purposes only.**

Chairman Steele asked the Secretary to the Board to call upon the registered public speaker, in accordance with Cook County Code, Sec. 2-107(dd):

PUBLIC SPEAKER:

1. George Blakemore – Concerned Citizen

**Commissioner Goslin moved to adjourn the meeting, seconded by Vice Chairman Silvestri. The motion carried and the meeting was adjourned.**

311325 DEPARTMENT OF ECONOMIC DEVELOPMENT, BUREAU OF COMMUNITY DEVELOPMENT (PROPOSED RESOLUTION). Transmitting a Communication dated February 10, 2011 from John P. Schneider, Director.

Respectfully submitting this Resolution regarding Almare Development Company, Inc.’s request for a Class 6b property tax incentive located at 560 Bonnie Lane, Elk Grove Village, Illinois. The applicant is leasing the building to Best Restoration, LLC. This new company provides complete remanufacturing and restoration services designed to assist those suffering from the affects of property damage due to fire, water, storm, mold and more. The company will store; clean; refurbish and remanufacture equipment, furniture and electronics.

Almare Development Company, Inc. requests approval of the tax incentive based on the special circumstances that the property has been vacant for over 24 months; will have no purchase for value; and substantial rehabilitation will be completed under the Class 6b Ordinance. This Resolution is required so that the company can complete its application to the Assessor of Cook County.

Submitting a Proposed Resolution sponsored by Toni Preckwinkle, President, Cook County Board of Commissioners.

PROPOSED RESOLUTION

**WHEREAS**, the Cook County Board of Commissioners has adopted a Real Property Assessment Classification 6b that provides an applicant a reduction in the assessment level for an industrial facility; and

**WHEREAS**, the County Board of Commissioners has received and reviewed an application from Almare Development Company, Inc. and Resolution No. 42-10 from the Village of Elk Grove Village for an abandoned industrial facility located at 560 Bonnie Lane, Elk Grove Village, Cook County, Illinois, County Board District #17, PIN 08-27-102-060-0000; and

**WHEREAS**, Cook County has defined abandoned property as buildings and other structures that, after having been vacant and unused for at least 24 months, are purchased for value by a purchaser in whom the seller has no direct financial interest; and

**WHEREAS**, in the instance where the property does not meet the definition of abandoned property, the municipality or the Board of Commissioners, may determine that special circumstances justify finding that the property is abandoned for the purpose of Class 6b; and

**WHEREAS**, in the case of abandonment of over 24 months and no purchase for value by a disinterested buyer, the County may determine that special circumstances justify finding the property is deemed abandoned; and

**WHEREAS**, Class 6b requires a resolution by the County Board validating the property is deemed abandoned for the purposes of Class 6b; and

**WHEREAS**, the Cook County Board of Commissioners has determined that the building has been abandoned for 26 months, at the time of application, with no purchase for value and that special circumstances are present; and

**WHEREAS**, the re-occupancy will create an estimated 12 to 20 new full-time jobs and 3 to 5 construction jobs and the Village of Elk Grove Village states the Class 6b is necessary for development to occur on this specific real estate. The municipal resolution cites the special circumstances include that the property has been vacant for over 24 months; will have no purchase for value; and is in need of substantial rehabilitation; and

**WHEREAS**, the applicant acknowledges that it must provide an affidavit to the Assessor's Office stipulating that it is in compliance with the County's Living Wage Ordinance prior to receiving the Class 6b incentive on the subject property.

**NOW, THEREFORE, BE IT RESOLVED**, by the President and Board of Commissioners of the County of Cook, that the President and Board of Commissioners validate the property located at 560 Bonnie Lane, Elk Grove Village, Cook County, Illinois, is deemed abandoned with special circumstances under the Class 6b; and

Reason: This extension is needed to expend the existing funds on this contract as we explore participating in a unified solution with the Cook County Purchasing Agent. Rush Computer Rental met the requirements for a Request For Proposal (RFP) issued in 2008, and have the qualifications and experience to perform the services requested. Reason: This contract was based on an Interagency Agreement that was required by the Illinois Criminal Justice Information Agency (ICJIA) for the Coordinated Reentry Services Grant. **PROPOSED CONTRACT RENEWALS**

Transmitting a Communication, dated February 3, 2011 from

DAVID ORR, County Clerk

by

CLEM BALANOFF, Deputy County Clerk

requesting authorization for the Purchasing Agent to renew Contract No. 09-41-244 with J.J. Collins Sons, Inc., Woodridge, Illinois, for printing and mailing of voter information.

Reason: The County Clerk requests to exercise a two (2) year renewal with J.J. Collins Sons, Inc. A two (2) year renewal is necessary because the Election Department will not be able to develop a scope of work for a new contractor during the labor-intensive November, 2012 Presidential election cycle. The Contractor has agreed to a lower renewal cost from 2010-2011 pricing. J.J. Collins Sons, Inc. responded to a Request for Proposal (RFP) issued on May 19, 2009 with the lowest and best proposal and is an experienced printer with the necessary resources to perform the specifications of the RFP. The Clerk intends to issue an RFP for a new contract for this work in the fourth quarter of 2012.

JOURNAL OF PROCEEDINGS FOR APRIL 6, 2011

Estimated Fiscal Impact: \$104,262.50 (FY 2012 - \$64,000.00; and FY 2013 - \$40,262.50). Contract period: May 1, 2011 through April 30, 2013. (524-240 Account). Requisition Nos. 25240002 and 35240001.

Sufficient funds are available in the County Clerk Election Division Fund.

Vendor has met the Minority and Women Business Enterprise Ordinance.

Commissioner Daley, seconded by Commissioner Sims, moved that the communication be referred to the Committee on Finance. (Comm. No. 312104). **The motion carried unanimously.**

CLEM BALANOFF, Deputy County Clerk

requesting authorization for the Purchasing Agent to renew Contract No. 09-41-245 with Graphic Purchasing Solutions, LLC, Northbrook, Illinois, for the printing of ballot applications.

Reason: The County Clerk requests to exercise a two (2) year renewal with Graphic Purchasing Solutions, LLC. A two (2) year renewal is necessary because the Election Department will not be able to develop a scope of work for a new contractor during the labor-intensive November, 2012 Presidential election cycle. The Contractor has agreed to a lower renewal cost from 2010-2011 pricing. Graphic Purchasing Solutions, LLC responded to a Request for Proposal (RFP) issued on May 19, 2009 with the lowest and best proposal. Transmitting a Communication, dated February 3, 2011 from

DAVID ORR, County Clerk

By

CLEM BALANOFF, Deputy County Clerk

requesting authorization for the Purchasing Agent to renew Contract No. 09-41-13 with Pickens Kane Moving and Storage, Chicago, Illinois, for moving of election equipment.

Reason: The County Clerk requests to exercise a two (2) year renewal with Pickens Kane Moving and Storage. Contractor has agreed to a lower renewal cost from previous pricing. Pickens Kane Moving and Storage responded to a Request for Proposal (RFP) issued on August 13, 2008. Pickens Kane Moving and Storage had the lowest cost proposal and is an experienced mover with the necessary resources to perform the specifications of the RFP.

This renewal is necessary as we move toward a new way to bid these requirements. The original contract dated 11/19/2008 was \$3,676,824.00 for six elections. This renewal is for two years and four elections. It is \$119,340.37 less than the original \$2,692,576.00 cost for two years and four elections. A two year extension is necessary to bring us through four elections, including the 2012 Presidential Primary, Presidential General and the two elections in suburban Cook County in 2013. Post-election activity and pre-election preparation are extremely time-sensitive and work-intensive before and after a Presidential election. Elections contracts are planned accordingly so new contractors are not employed between these intense elections cycles. There is no time to issue an RFP for this contract and establish a scope of work with a new contractor prior to the March 2012 Presidential election as the contractor must be in place for Election Judge training by January 1, 2012.

Estimated Fiscal Impact: \$2,573,235.63 (FY 2012 - \$1,622,000.00; and FY 2013 - \$951,235.63). Contract period: May 2, 2011 through April 30, 2013. (524-430 Account). Requisition Nos. 25240004 and 35240003.

Sufficient funds are available in the County Clerk Election Division Fund.

Vendor has met the Minority and Women Business Enterprise Ordinance.

Reason: Intellitech Corporation was chosen based on the results of a Request for Proposal (RFP) for the installation and implementation of a new jail management information system. This extension will allow sufficient time to complete the document scanning and cash processing

phases of this project. Approximately \$1,266,762.46 remains on this contract. The expiration date of the current contract is April 29, 2011.

Estimated Fiscal Impact: None. Contract extension: April 30, 2011 through July 31, 2011.

## **DEPARTMENT OF HOMELAND SECURITY AND EMERGENCY MANAGEMENT**

### **APPROVAL OF PAYMENT**

Transmitting a Communication, dated March 18, 2011 from

ROBERT D. KING, Deputy Director, Department of Homeland Security and Emergency Management

requesting approval of payment in the amount of \$23,812.30 to Enterprise Fleet Management Services, Lombard, Illinois for the outstanding and final lease payment for two vehicles previously on lease by the Department of Homeland Security and Emergency Management.

Reason: In April, 2010, pursuant to an Open Market Purchase ("OMP"), the Department of Homeland Security and Emergency Management ("DHSEM") received authorization for a six (6) month lease agreement with Enterprise Fleet Management Services ("Enterprise") for the lease of two 2010 Chevrolet Suburban 1500 LTZ 4x4's. Pursuant to the OMP, the fiscal impact was \$32,493.44 and the OMP was authorized under the Cook County Disaster Assistance Grant; to date, \$25,505.75 has been paid under the original six (6) month lease and OMP.

Without authorization, in April of 2010, the previous DHSEM leadership also entered into a 24-month master lease/purchase agreement with Enterprise and thereafter, in November of 2010, DHSEM requested authorization from the Cook County Board of Commissioners ("Board") to purchase the above noted vehicles; authorization was deferred by the Board and subsequently withdrawn by the Administration. The vehicles remained in the possession of DHSEM and lease payments remain outstanding.

Enterprise has requested payment in the amount of \$23,812.30 to address outstanding lease payments (October, 2010 thru February, 2011) and further invoiced the DHSEM in the amount of \$61,443.68 for the purchase of the vehicles and close out of the master lease agreement. The total amount invoiced to DHSEM was \$85,255.98. In order to prevent additional liability and at the request of the Administration, the two above listed vehicles were returned to Enterprise on February 25, 2011. Following negotiations with Enterprise, Enterprise has agreed to accept payment in the amount of \$23,812.30 for the outstanding lease payments and close out of the lease; Enterprise has further agreed to release the County of any further obligation under the master lease agreement.

Estimated Fiscal Impact: \$23,812.30. (565-634 Account).

---

Commissioner Tobolski, seconded by Commissioner Steele, moved that the payment to Enterprise Fleet Management Services be made. **The motion carried unanimously.**

**TRANSFER OF FUNDS**

Transmitting a Communication, dated March 18, 2011 from

ROBERT D. KING, Deputy Director, Department of Homeland Security and Emergency Management

requesting approval by the Board of Commissioners to transfer funds totaling \$23,813.00 from Account 565-110, Salaries and Wages of Regular Employees to Account 565-634, Rental of Automotive Equipment.

Reason: Transfer of funds request to finalize and terminate lease agreement for two vehicles previously on lease by the Department of Homeland Security and Emergency Management using funding from vacant positions.

From Account 565-110	<b>Total</b>	<b>\$23,813.00</b>
----------------------	--------------	--------------------

To Account 565-634	<b>Total</b>	<b>\$23,813.00</b>
--------------------	--------------	--------------------

1. On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

On March 18, 2011, it became apparent that the Rental of Automotive Equipment Account 565-634 would require an infusion of funds in order to meet outstanding financial obligations for and termination of a lease agreement for two vehicles previously on leased by the Department of Homeland Security & Emergency Management. At this time the balance in the account was \$0. The balance 30 days prior was \$0.

2. How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

The 110 Salaries and Wages of Regular Employees account was identified based on the use of vacant position funding to be transferred for the purpose of payment of outstanding financial obligations on the aforementioned vehicle lease contract. The Department previously planned to hire into vacant positions during the fourth quarter of Cook County Fiscal Year 2011.

3. Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.

DHSEM's hiring plan for impacted vacant positions will be adjusted according to approval of its transfer of funds and subsequent payment and termination of the lease agreement for these vehicles. This should not affect any programs, contracts or obligations that this department has for Fiscal Year 2011.

4. If the answer to the above question is "none" then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

Commissioner Tobolski, seconded by Commissioner Steele, moved that the request of the Deputy Director of the Department of Homeland Security and Emergency Management be approved. **The motion carried unanimously.**
